

Nokia G50

A phone for today that's ready for tomorrow.

Colours:

Ocean Blue Midnight Sun

Key features:

Buy less often, buy better quality – it's better for your pocket and better for the planet. Nokia G50 – a future-proofed smartphone that's great for today, and ready for tomorrow. 5G¹ and loaded with everything you would expect from a Nokia smartphone including build quality.

LOVE IT

Capture the beauty in everything.

48MP triple camera with AI imaging captures fine detail for breath-taking pictures.

Don't miss a great selfie moment.

With selfie video stabilisation you'll stay steady in the frame even if your arm isn't. Plus, the super Night Selfie mode will ensure your selfies look equally great in low light.

TRUST IT

Fresh for years.

The latest Android™ 11 out of the box and ready for what's next – it comes with three years of monthly security updates and two years of OS upgrades.

KEEP IT

A future-proofed smartphone.

Destined for greatness, it's going to be even better connected to 5G¹, thanks to the Qualcomm™ Snapdragon®480 5G Mobile Platform designed to optimise future technology.

Nokia G50 sales package includes:

- Nokia G50 device
- Quick Start guide
- USB Type-C cable

¹ 5G coverage is limited and might not be supported by your network service provider. Actual speed depends on network and other factors. ² All specifications, features and other product information provided are subject to change without notice. ³ Pre-installed system software and apps use a significant part of memory space. ⁴ Battery has limited recharge cycles and battery capacity reduces over time. Eventually the battery may need to be replaced. See more info at www.nokia.com/en_us/phones/nokia-g-50.
